These prices for foam repair are estimates, exact pricing will be given at the time of inspection/delivery per customer's specifications. Foam repair includes paint on repaired area only, whole animal at additional charges (see right column). All customers are responsible for pickup and delivery of their targets, unlesss other arrangements have been made, long-term storage can be arranged at additional cost.			
INSURED: All property of others is insured through Western Community Insurance Company, (Farm Bureau), PO Box 4848, Pocatello, ID 83205			
All targets repaired have OEM scoring rings replaced (IBO legal). Additional repairs including broken legs, ears, heads, tails and locks will be charged at $30/hour plus materials (glue and fastners).			
Foam material is USA made and is extremely self healing (much better than OEM) and will out last all types of OEM target material by 2 plus times making for a significant savings/value!!
